

UW61V

Equipment unit, univers, with DIN rails, for FWB encl. 6-rows, 900x250mm,QC

Technical Features

Dimensions

Height	900 mm
Width	250 mm
Depth	87 mm

Equipment

Number of section in width	1
----------------------------	---

Capacity

Number of modules	12
-------------------	----

Equipment

Number of rows	6
Number of rails	6
Has mounting plate	No

Materials

RAL code	9010
----------	------

Scope of delivery

With cover	Yes
------------	-----

Texts

Terminal	With N-PE clamp
----------	-----------------

Sustainability

RoHS conform	Yes
--------------	-----
