

FM307

Floor standing steel enclosure, Quadro5, 1710x900x260 mm

Technical Features

Dimensions

Height	1710 mm
Width	900 mm
Depth	260 mm
Thickness of sidewall	2 mm

Safety

Ingress Protection (IP) class	IP55
Protection class	Isolation class I
Locking type	With lock
Impact resistance IK	IK10

Equipment

Number of section in width	3
Number of flange plate openings	2

Installation, mounting

Mounting on	Pedestal
Suitable for outdoor usage	No

Materials

Colour	Pure white
RAL code	9010
Treatment	Powder coated
Material	Steel

Equipment

Number of rows	11
----------------	----

Cover, door

Number of cabinet doors	1
Number of locks	1
Door/cover is transparent	No

Electric current

Rated current	630 A
---------------	-------

Sustainability

RoHS conform	Yes
