

JAB402B

Enclosed Switch Disconnecter TPSN 20A

Technical Features

Installation, mounting

Mounting on	Surface mounting
-------------	------------------

Electric current

Rated current	20 A
---------------	------

Dimensions

Depth	81 mm
Height	232 mm
Width	175 mm

Cover, door

Interlockable	No
---------------	----

Safety

Ingress Protection (IP) class	IP2XC
-------------------------------	-------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
