

WMMRJ11

### RJ11 - Modem Euromodule White

#### Technical Features

##### Connection

|                       |    |
|-----------------------|----|
| Connector/plug type   | RJ |
| Number of connections | 1  |

##### Dimensions

|                                    |          |
|------------------------------------|----------|
| Built-in depth flush-mounted boxes | 20 mm    |
| Depth                              | 20.50 mm |
| Height                             | 50 mm    |
| Width                              | 25 mm    |

##### Equipment

|                 |     |
|-----------------|-----|
| With dust cover | Yes |
| With hinged lid | No  |

##### Materials

|                |             |
|----------------|-------------|
| Material       | Duroplastic |
| Colour         | White       |
| Surface finish | Glossy      |

##### Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

##### Dimensions

|                |       |
|----------------|-------|
| Built-in depth | 16 mm |
|----------------|-------|

##### Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
