

IP55 10AX 1G 2W SWITCH

Technical Features

Installation, mounting

Mounting on	Surface mounting
-------------	------------------

Voltage

Rated voltage	250 V
---------------	-------

Controls and indicators

Number of buttons	1
-------------------	---

Dimensions

Dimensions	91 x 84 mm
------------	------------

Electric current

Rated current	10 A
---------------	------

Sustainability

RoHS conform	Yes
--------------	-----
