

IP55 10AX 1G 2W SWITCH

Technical Features

Installation, mounting

| | |
|-------------|------------------|
| Mounting on | Surface mounting |
|-------------|------------------|

Voltage

| | |
|---------------|-------|
| Rated voltage | 250 V |
|---------------|-------|

Controls and indicators

| | |
|-------------------|---|
| Number of buttons | 1 |
|-------------------|---|

Dimensions

| | |
|------------|------------|
| Dimensions | 91 x 84 mm |
|------------|------------|

Electric current

| | |
|---------------|------|
| Rated current | 10 A |
|---------------|------|

Sustainability

| | |
|--------------|-----|
| RoHS conform | Yes |
|--------------|-----|
