

L2242

**Flexible slotted panel trunking halogenfree 40mm Länge = 500mm light grey**

**Technical Features**

**Dimensions**

Height	0 mm
Width	0 mm
Length	500 mm
Slit width	8 mm
Slot width	4.50 mm

**Equipment**

Cover in scope of delivery	No
----------------------------	----

**Materials**

Material	Polyamide (PA)
----------	----------------

**Functions**

Is self-extinguishing	Yes
-----------------------	-----

**Standards**

Flammability class according UL94	V0
-----------------------------------	----

**Materials**

Colour	Light grey
--------	------------

**Architecture**

Flexible	Yes
----------	-----

**Configuration**

Side wall	Slotted
-----------	---------

**Connectivity**

Mounting type	Self-adhesive
---------------	---------------

**Sustainability**

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
