

JK104\_6\_8\_BF\_BD

**125A 8 Way IP65 Metal TPN Board**

**Technical Features**

**Dimensions**

|        |        |
|--------|--------|
| Height | 800 mm |
| Width  | 600 mm |
| Depth  | 300 mm |

**Safety**

|                               |                               |
|-------------------------------|-------------------------------|
| Ingress Protection (IP) class | IP65                          |
| Protection class              | Isolation class III           |
| Locking type                  | Key lock<br>Quarter turn lock |
| Impact resistance IK          | IK05                          |

**Installation, mounting**

|                            |                  |
|----------------------------|------------------|
| Mounting on                | Surface mounting |
| Suitable for outdoor usage | No               |

**Materials**

|          |            |
|----------|------------|
| Colour   | Light grey |
| RAL code | 7035       |
| Material | Steel      |

**Cover, door**

|                           |    |
|---------------------------|----|
| Number of cabinet doors   | 1  |
| Door/cover is transparent | No |

**Electric current**

|               |       |
|---------------|-------|
| Rated current | 125 A |
|---------------|-------|

**Sustainability**

|              |     |
|--------------|-----|
| RoHS conform | Yes |
