

L936C1-04

**Zekering C 1- 4 A Ø 9 x 36 mm**

**Technische eigenschappen**

**Zekering**

|                    |        |
|--------------------|--------|
| Kenmerken zekering | gG     |
| Zekeringsgrootte   | 9 x 36 |

**Stroom / temperatuur**

|                 |     |
|-----------------|-----|
| Nominale stroom | 4 A |
|-----------------|-----|

**Vermogen**

|                                  |        |
|----------------------------------|--------|
| Totaal vermogensverlies onder IN | 1,30 W |
|----------------------------------|--------|

**Spanning**

|                   |             |
|-------------------|-------------|
| Type voeding      | AC          |
| Nominale spanning | 400 - 400 V |

**Uitvoering**

|                         |   |
|-------------------------|---|
| Afschakelkarakteristiek | C |
|-------------------------|---|

**Duurzaamheid**

|                 |    |
|-----------------|----|
| Halogeenvrij    | Ja |
| REACH-SVHC vrij | Ja |
| RoHS conform    | Ja |
