

WXPSSU83FO

**IP66 13A Double Pole Switched Fused Connection Unit with Flex Outlet**

**Technical Features**

**Dimensions**

|            |            |
|------------|------------|
| Dimensions | 86 x 86 mm |
|------------|------------|

**Electric current**

|               |      |
|---------------|------|
| Rated current | 13 A |
|---------------|------|

**Voltage**

|               |       |
|---------------|-------|
| Rated voltage | 250 V |
|---------------|-------|

**Materials**

|                |                    |
|----------------|--------------------|
| Colour         | Light grey         |
| Material       | Polycarbonate (PC) |
| Surface finish | Glossy             |

**Safety**

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP66 |
|-------------------------------|------|

**Equipment**

|                                   |                  |
|-----------------------------------|------------------|
| Connector/plug type socket outlet | British Standard |
|-----------------------------------|------------------|

**Texts**

|                   |                             |
|-------------------|-----------------------------|
| Installation mode | For surface mounting        |
| Protection        | To protect downstream loads |

**Sustainability**

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
