RJ45 outlet cat6 (2mod) wo/symbol

Technical Features

Frequency

Transmission bandwidth	0-250 MHz

Equipment

With transparent label holder	No
Number of outputs	2

Use conditions

Operating temperature	-20-45 °C

Equipment

With hinged lid	No

Materials

Colour	White

Connection

Connector/plug type	RJ45

Materials

Material	Polycarbonate (PC)

Safety

Ingress Protection (IP) class	IP20

Voltage

Rated voltage	0 V

Sustainability

RoHS conform	Yes
