

35623505

Control on/off switch 2p imprint "Heizung-0-I" surf.-mtd, lens, W.1, grey matt

Technical Features

Connectivity

Mounting type	Screw mounting
---------------	----------------

Dimensions

Built-in depth flush-mounted boxes	0 mm
Dimensions	71 x 71 mm

Electric current

Switching current	10 A
-------------------	------

Installation, mounting

Mounting on	Surface mounting
-------------	------------------

Materials

Colour	Grey
Material	Thermoplastic
Surface finish	Mat
Treatment	Untreated

Safety

Impact resistance IK	IK05
Ingress Protection (IP) class	IP55

Texts

Lighting	With red 230 V LED unit For monitoring circuit
Type of connection	With plug-in terminals

Voltage

Rated voltage	250 V
