

Product Datasheet

BA7A40060BL

BA7A40060BL

Slotted panel trunking made of PVC BA7A 40x60mm blue

Technical Features

Dimensions

Height	40 mm
Width	60 mm
Length	2000 mm
Slit width	6 mm
Slot width	6.50 mm

Equipment

Cover in scope of delivery	Yes
----------------------------	-----

Materials

Material	Polyvinylchloride (PVC)
----------	-------------------------

Functions

Is self-extinguishing	Yes
-----------------------	-----

Materials

Colour	Blue
--------	------

Architecture

Flexible	No
----------	----

Configuration

Side wall	Slotted
-----------	---------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
