

WGDR25

25A CONNECTION UNIT

Technical Features

Voltage

Rated voltage	250 V
---------------	-------

Frequency

Frequency	50 - 60 Hz
-----------	------------

Materials

Colour	White
--------	-------

Surface finish	Glossy
----------------	--------

Material	Polycarbonate (PC)
----------	--------------------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Electric current

Rated current	25 A
---------------	------

Sustainability

Halogen free	Yes
--------------	-----

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
