

Product Datasheet

BRA652104DELN

BRA652104DELN

Internal corner of base profile for BRA 68x210mm lid 2x80mm of alu naturanodized

Technical Features

Dimensions

Height	68 mm
Width	210 mm
Measurement a	146 mm

Accessories

Type of accessory	Base
-------------------	------

Configuration

Overlapping	Yes
-------------	-----

Settings

Angle range	90 - 90
-------------	---------

Installation, mounting

Base perforation	Yes
------------------	-----

Materials

Material	Aluminium
Treatment	Anodised
Colour	Aluminium

Equipment

With protective film	No
----------------------	----

Suitable for

BRA 65x210D	
-------------	--

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
