

283511

Extension units insert f. univ. rot. dimmer, soft-lock, 1930/glass, black gl.

Technical Features

Voltage

Operating voltage 230 - 230 V

Frequency

Frequency 50 - 60 Hz

Materials

Colour Black
RAL code 9005
Material Metal
Plastic

Dimensions

Diameter axis 4 mm
Height 71 mm
Width 71 mm
Depth 61 mm

Architecture

Control/operation element Push & rotative switch

Texts

Voltage Voltage test possible without dismantling
Installation mode For screw fastening
Type of connection With plug-in terminals

Equipment

Substation input No

Sustainability

REACH-SVHC free Yes
RoHS conform Yes
