## US51A5

US51A5

Cover plate, universN, 250x750mm, 5x12 Modules, slit gap 125mm

Technical Features

Dimensions

|        |        |
|--------|--------|
| Height | 750 mm |
| Width  | 250 mm |
| Depth  | 56 mm  |

Equipment

|                            |   |
|----------------------------|---|
| Number of section in width | 1 |
| Number of rows             | 5 |

Materials

|          |                  |
|----------|------------------|
| Colour   | Pure white       |
| Material | Polystyrene (PS) |

Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP00 |
|-------------------------------|------|

Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
