

WGDL2D2NIG

**20AX 2G DP SWITCH W/ LED, Interstellar Grey**

**Technical Features**

**Voltage**

Rated voltage	250 V
---------------	-------

**Frequency**

Frequency	50 - 60 Hz
-----------	------------

**Materials**

Colour	Interstellar grey
--------	-------------------

Surface finish	Matt
----------------	------

**Safety**

Ingress Protection (IP) class	IP20
-------------------------------	------

**Electric current**

Rated current	20 A
---------------	------

**Sustainability**

Halogen free	Yes
--------------	-----

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
