

WGDL2D2NIG

20AX 2G DP SWITCH W/ LED, Interstellar Grey

Technical Features

Voltage

Rated voltage	250 V
---------------	-------

Frequency

Frequency	50 - 60 Hz
-----------	------------

Materials

Colour	Interstellar grey
--------	-------------------

Surface finish	Matt
----------------	------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Electric current

Rated current	20 A
---------------	------

Sustainability

Halogen free	Yes
--------------	-----

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
