

FZ110N

Door, univers, right, transparent, for enclosure H:950xW:550mm

Technical Features

Dimensions

Height	919 mm
Width	519 mm
Depth	12 mm

Cover, door

Door/cover is transparent	Yes
Number of cabinet doors	1
Cabinet door type	Partial door
Type of handle	Hinged pattern handle
Number of locks	1

Materials

RAL code	9010
Colour	Pure white
Material	Steel
Treatment	Powder coated

Architecture

Cabinet Door Position	Right
-----------------------	-------

Safety

Ingress Protection (IP) class	IP44
Locking type	Bar lock

Equipment

Number of section in width	2
Number of rows	6

Sustainability

RoHS conform	Yes
--------------	-----
