

HWY069H

#### Anslutning bakre 1000-2500A HW4 4P (RC)

#### Tekniska egenskaper

##### Elektrisk ström

|           |        |
|-----------|--------|
| Märkström | 2500 A |
|-----------|--------|

##### Arkitektur

|             |   |
|-------------|---|
| Antal poler | 4 |
|-------------|---|

##### Kabel

|                |        |
|----------------|--------|
| Material kabel | Koppar |
|----------------|--------|

##### Hållbarhet

|                       |    |
|-----------------------|----|
| Halogenfri            | Ja |
| REACH-SVHC fri        | Ja |
| RoHS-överensstämmelse | Ja |
