

Product Datasheet

WGCXT1RJKB

WGCXT1RJKB

RJ11 outlet (1mod);kb

Technical Features

Frequency

Transmission bandwidth	0-100 MHz
------------------------	-----------

Equipment

With transparent label holder	No
Number of outputs	1

Use conditions

Operating temperature	-20-45 °C
-----------------------	-----------

Equipment

With hinged lid	No
-----------------	----

Materials

Colour	Knight black
--------	--------------

Connection

Connector/plug type	RJ45
---------------------	------

Materials

Material	Polycarbonate (PC)
----------	--------------------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Voltage

Rated voltage	0 V
---------------	-----

Sustainability

RoHS conform	Yes
--------------	-----
