

WRRJ45BSB

RJ45 Socket Brushed Steel Black Insert

Technical Features

Equipment

| | |
|-------------------|----|
| Number of outputs | 1 |
| With hinged lid | No |

Materials

| | |
|--------|-----------------|
| Colour | Stainless steel |
|--------|-----------------|

Connection

| | |
|---------------------|----------------|
| Connector/plug type | UAE/IAE (ISDN) |
|---------------------|----------------|

Materials

| | |
|----------|-----------------|
| Material | Stainless steel |
|----------|-----------------|

Safety

| | |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

Texts

| | |
|--------------------|-----------------------------|
| Outlet | With straight outlet |
| Protection | With dust protection slider |
| Type of connection | With IDC terminals |

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
