

Product Datasheet

BKIS121303EVERZ

BKIS121303EVERZ

External C. BKIS 12,5, steel, galvanised

Technical Features

Dimensions

Width	130 mm
Length	250 mm

Compatibility

Suitable for drywall thickness	12.5 mm
Suitable for one or two-line variant	One-line

Materials

Material	Steel
Treatment	Galvanised

Equipment

With protective film	No
----------------------	----

Suitable for

BKIS 12x130/230	
-----------------	--

Sustainability

Halogen free	Yes
RoHS conform	Yes
