

WMRJ11

RJ11 Socket

Technical Features

Connection

Connector/plug type	RJ
Number of connections	1

Dimensions

Built-in depth flush-mounted boxes	16 mm
Depth	20.50 mm
Height	86 mm
Width	86 mm

Equipment

With dust cover	Yes
With hinged lid	No

Materials

Material	Urea formaldehyde
Colour	White
Surface finish	Glossy

Frequency

Frequency	50 - 60 Hz
-----------	------------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Dimensions

Built-in depth	11 mm
----------------	-------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
