

WXA010

Lamp gallery for plate 1P 230V pure-white

Technical Features

Voltage

|                 |             |
|-----------------|-------------|
| Nominal voltage | 250 - 250 V |
|-----------------|-------------|

Electric current

|               |     |
|---------------|-----|
| Rated current | 0 A |
|---------------|-----|

Dimensions

|        |          |
|--------|----------|
| Height | 39.40 mm |
| Width  | 87.80 mm |
| Depth  | 6.90 mm  |

Power

|                     |         |
|---------------------|---------|
| Current consumption | 2.50 mA |
|---------------------|---------|

Materials

|        |            |
|--------|------------|
| Colour | Pure white |
|--------|------------|

Lighting

|              |     |
|--------------|-----|
| Type of lamp | LED |
|--------------|-----|

Use conditions

|                       |             |
|-----------------------|-------------|
| Operating temperature | -10 - 35 °C |
|-----------------------|-------------|

Suitable for

|         |  |
|---------|--|
| gallery |  |
|---------|--|

Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
