## WXA010

WXA010

### Lamp gallery for plate 1P 230V pure-white

#### Technical Features

##### Voltage

Nominal voltage	250 - 250 V
-----------------	-------------

##### Electric current

Rated current	0 A
---------------	-----

##### Dimensions

Height	39.40 mm
Width	87.80 mm
Depth	6.90 mm

##### Power

Current consumption	2.50 mA
---------------------	---------

##### Materials

Colour	Pure white
--------	------------

##### Lighting

Type of lamp	LED
--------------	-----

##### Use conditions

Operating temperature	-10 - 35 °C
-----------------------	-------------

##### Suitable for

gallery	
---------	--

##### Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
