WXA012

WXA012

Lamp gallery for plate 2P 230V pure-white

Technical Features

Voltage

Nominal voltage	24 - 24 V
-----------------	-----------

Electric current

Rated current	0 A
---------------	-----

Dimensions

Height	39.40 mm
Width	158.70 mm
Depth	6.90 mm

Power

Current consumption	2.50 mA
---------------------	---------

Materials

Colour	Pure white
--------	------------

Lighting

Type of lamp	LED
--------------	-----

Use conditions

Operating temperature	-10 - 35 °C
-----------------------	-------------

Suitable for

gallery	
---------	--

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
