## WGDT1RJ6NB

WGDT1RJ6NB

### RJ45 outlet cat6 (1mod);nb

#### Technical Features

##### Frequency

Transmission bandwidth	0-250 MHz
------------------------	-----------

##### Equipment

With transparent label holder	No
Number of outputs	1

##### Use conditions

Operating temperature	-20-45 °C
-----------------------	-----------

##### Equipment

With hinged lid	No
-----------------	----

##### Materials

Colour	Bronze
--------	--------

##### Connection

Connector/plug type	RJ45
---------------------	------

##### Materials

Material	Polycarbonate (PC)
----------	--------------------

##### Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

##### Voltage

Rated voltage	0 V
---------------	-----

##### Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
