

# Product Datasheet

## VS104PT

VS104PT2

Small distributor,golf,surface,1row,IP40,4M,MS-terminal,ANZ,N+PE,white door

Technical Features

Voltage

Nominal voltage400 - 400 V

Installation, mounting

Suitable for outdoor usageNo

Mounting onSurface mounting

Electric current

Rated current80 A

Equipment

Number of rails1

Number of rows1

Number of section in width1

With lockNo

Has neutral terminal blockYes

Capacity

Number of modules4

Functions

With conduit inletsYes

Dimensions

Height184 mm

Width138 mm

Depth99 mm

Cover, door

Number of cabinet doors1

Number of locks0

Dimensions

Number of width units4

Cover, door

Door/cover is transparentNo

Materials

MaterialPlastic

RAL code9010

ColourPure white

Equipment

Has earthing terminal blockYes

Has mounting plateNo

Materials

Ultraviolet-resistantNo

Safety

Protection classIsolation class II

Impact resistance IKIK07

Locking typeSnap on lock  
Without lock

Glow wire test650 °C

Sustainability

RoHS conformYes
