

REU790X

LED status indication module built-in 2-wire stainless steel matt one/modesta

Technical Features

Materials

Colour	Stainless steel
Material	Metal
Surface finish	Matt

Dimensions

Dimensions	85 x 85 mm
Height	85 mm
Width	85 mm

Voltage

Operating voltage	24 - 24 V
-------------------	-----------

Compatibility

Installation technique for door communication	2-wire
---	--------

Controls and indicators

Number of call buttons	0
------------------------	---

Functions

Function	Inform
----------	--------

Settings

Number of users	0
-----------------	---

Use conditions

Operating temperature	-20 - 55 °C
Storage/transport temperature	-30 - 80 °C

Sustainability

RoHS conform	Yes
