

UZ020

## Aardeverbinding draagsteun 500 mm

### Technische eigenschappen

#### Afmetingen

|                    |             |
|--------------------|-------------|
| Afmetingen         | 25 x 550 mm |
| Hoogte             | 25 mm       |
| Hoogte railsysteem | 20 mm       |
| Breedte            | 550 mm      |
| Dikte rail         | 5 - 5 mm    |
| Diepte             | 10 mm       |

#### Materiaal

|           |       |
|-----------|-------|
| Materiaal | Koper |
|-----------|-------|

#### Duurzaamheid

|              |    |
|--------------|----|
| Halogeenvrij | Ja |
| RoHS conform | Ja |
