

Product Datasheet

L6532ELN

L6532ELN

Endcap for BRAP 68x100mm of aluminium natural anodized

Technical Features

Dimensions

Height	65 mm
Width	100 mm

Configuration

Overlapping	No
-------------	----

Materials

Material	Aluminium
Treatment	Anodised
Colour	Aluminium

Equipment

With protective film	No
----------------------	----

Suitable for

BRAP 65x100	
-------------	--

Sustainability

Halogen free	Yes
RoHS conform	Yes
