## WGCT2RJ5

WGCT2RJ5

### RJ45 outlet cat5e (2mod)

#### Technical Features

##### Frequency

Transmission bandwidth	0-100 MHz
------------------------	-----------

##### Equipment

With transparent label holder	No
Number of outputs	2

##### Use conditions

Operating temperature	-20-45 °C
-----------------------	-----------

##### Equipment

With hinged lid	No
-----------------	----

##### Materials

Colour	White
--------	-------

##### Connection

Connector/plug type	RJ45
---------------------	------

##### Materials

Material	Polycarbonate (PC)
----------	--------------------

##### Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

##### Voltage

Rated voltage	0 V
---------------	-----

##### Sustainability

RoHS conform	Yes
--------------	-----
