## BA7A80030BL

BA7A80030BL

### Slotted panel trunking BA7A 80x30, blue

#### Technical Features

##### Dimensions

Height	80 mm
Width	30 mm
Length	2000 mm
Slit width	6 mm
Slot width	6.50 mm

##### Equipment

Cover in scope of delivery	Yes
----------------------------	-----

##### Materials

Material	Polyvinylchloride (PVC)
----------	-------------------------

##### Functions

Is self-extinguishing	Yes
-----------------------	-----

##### Materials

Colour	Blue
--------	------

##### Architecture

Flexible	No
----------	----

##### Configuration

Side wall	Slotted
-----------	---------

##### Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
