

JFG420U4

### Enclosed Fuse combin. switch TPSN 200A

#### Technical Features

##### Electric current

Rated current	100 A
---------------	-------

##### Architecture

Number of poles	4
-----------------	---

Control/operation element	Long rotary handle
---------------------------	--------------------

##### Voltage

Rated insulation voltage $U_i$	800 V
--------------------------------	-------

##### Safety

Ingress Protection (IP) class	IP41
-------------------------------	------

##### Fuse

Fuse size	B2
-----------	----

##### Dimensions

Height	500 mm
--------	--------

Width	375 mm
-------	--------

##### Sustainability

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
