## BKIS2513019016

BKIS2513019016

### Side base for BKIS 25x130/230mm sheet steel traffic white

#### Technical Features

##### Compatibility

|                                      |                      |
|--------------------------------------|----------------------|
| Suitable for drywall thickness       | 25 mm                |
| Suitable for one or two-line variant | One-line<br>Two-line |

##### Dimensions

|        |         |
|--------|---------|
| Depth  | 25 mm   |
| Width  | 25 mm   |
| Length | 2000 mm |

##### Materials

|           |               |
|-----------|---------------|
| Material  | Steel         |
| Treatment | Powder coated |
| Colour    | Traffic white |
| RAL code  | 9016          |

##### Equipment

|                      |     |
|----------------------|-----|
| With protective film | Yes |
|----------------------|-----|

##### Sustainability

|                 |     |
|-----------------|-----|
| Halogen free    | Yes |
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
