

UM05B

#### Railkoppelset 12 x 10 mm 5-polig / 40 mm railsysteem

#### Technische eigenschappen

##### Stroom / temperatuur

|                 |       |
|-----------------|-------|
| Nominale stroom | 355 A |
|-----------------|-------|

##### Uitvoering

|              |   |
|--------------|---|
| Aantal polen | 5 |
|--------------|---|

##### Afmetingen

|                    |            |
|--------------------|------------|
| Hoogte railsysteem | 5 mm       |
| Dikte rail         | 12 - 12 mm |

##### Duurzaamheid

|              |    |
|--------------|----|
| RoHS conform | Ja |
|--------------|----|
