

GD218A

Enclosure,gamma,surface mounting,36Modules, version France

Technical Features

Installation, mounting

Mounting on Surface mounting

Electric current

Rated current 63 A

Equipment

Number of rails 2

Number of rows 2

Number of section in width 1

With lock No

Capacity

Number of modules 36

Dimensions

Height 375 mm

Width 355 mm

Depth 103 mm

Cover, door

Number of cabinet doors 0

Number of locks 0

Dimensions

Number of width units 18

Cover, door

Door/cover is transparent No

Materials

Material Plastic

RAL code 9010

Colour Pure white

Equipment

Has mounting plate Yes

Safety

Impact resistance IK IK05

Ingress Protection (IP) class IP30

Locking type Without lock

Glow wire test 850 °C

Sustainability

RoHS conform Yes
