

125A 3 pole & neutral

Technical Features

Architecture

Number of poles	3
-----------------	---

Electric current

Rated current	125 A
---------------	-------

Voltage

Rated operational voltage Ue	380 - 415 V
------------------------------	-------------

Dimensions

Height	203 mm
--------	--------

Width	145 mm
-------	--------

Depth	131 mm
-------	--------

Safety

Ingress Protection (IP) class	IP65
-------------------------------	------

Sustainability

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
