

2969

Cutoff relay surface-mtd/flush-mtd, extension unit outputs, blind control, grey

Technical Features

Voltage

Operating voltage230 - 230 V

Frequency

Frequency50 - 50 Hz

Electric current

Current consumption during operation10 mA

Rated current4 A

Dimensions

Dimensions53 x 25 mm

Texts

Type of connectionWith screw terminals

Sustainability

Halogen freeYes

REACH-SVHC freeYes

RoHS conformYes
