

**80A 3 pole & neutral**

**Technical Features**

**Architecture**

Number of poles	3
-----------------	---

**Electric current**

Rated current	80 A
---------------	------

**Voltage**

Rated operational voltage Ue	380 - 415 V
------------------------------	-------------

**Dimensions**

Height	190 mm
--------	--------

Width	145 mm
-------	--------

Depth	131 mm
-------	--------

**Safety**

Ingress Protection (IP) class	IP65
-------------------------------	------

**Sustainability**

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
