

80A 3 pole & neutral

Technical Features

Architecture

Number of poles	3
-----------------	---

Electric current

Rated current	80 A
---------------	------

Voltage

Rated operational voltage Ue	380 - 415 V
------------------------------	-------------

Dimensions

Height	190 mm
Width	145 mm
Depth	131 mm

Safety

Ingress Protection (IP) class	IP65
-------------------------------	------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
