

Druck

Single base SO with front/rear cover with convection 600x100x800 paint

Technical Features

Dimensions

Height	100 mm
Width	599 mm
Depth	775 mm

Safety

Protection class	Isolation class I
Ingress Protection (IP) class	IP20

Connectivity

Mounting type	Modular
---------------	---------

Installation, mounting

Suitable for outdoor usage	No
----------------------------	----

Materials

Colour	Jet black
Treatment	Powder coated
Material	Steel

Sustainability

RoHS conform	Yes
