WGDT2RJRJ6IG

RJ11 + RJ45 cat6 outlet;ig

Technical Features

Frequency

Transmission bandwidth	0-250 MHz

Equipment

With transparent label holder	No
Number of outputs	2

Use conditions

Operating temperature	-20-45 ℃

Equipment

With hinged lid	No

Materials

Colour	Interstellar grey

Connection

Connector/plug type	RJ45

Materials

Material	Polycarbonate (PC)

Safety

Ingress Protection (IP) class	IP20

Voltage

Rated voltage	0 V

Electric current

Rated current	0 A

Dimensions

Built-in depth	27 mm

Texts

Outlet	With straight outlet
Protection	With dust protection sliders
Supporting plate/supporting ring	With supporting plate

Sustainability

REACh-SVHC free	Yes
RoHS conform	Yes
