

HXC005H

Shunt trip Release 380-450V AC (h250-h400-h630-h800-h1000)

Technical Features

Power

Inrush power absorbed	2.93 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	380 - 450 V
Command voltage DC	0 - 0 V
Rated operational voltage Ue	380 - 450 V
Rated operational voltage in DC	0 - 0 V

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
