

HA760040

slotted panel trunking HA7 60x40, light grey

Technical Features

Dimensions

|            |         |
|------------|---------|
| Height     | 60 mm   |
| Width      | 40 mm   |
| Length     | 2000 mm |
| Slit width | 6 mm    |
| Slot width | 6.50 mm |

Equipment

|                            |     |
|----------------------------|-----|
| Cover in scope of delivery | Yes |
|----------------------------|-----|

Materials

|          |        |
|----------|--------|
| Material | PC-ABS |
|----------|--------|

Functions

|                       |     |
|-----------------------|-----|
| Is self-extinguishing | Yes |
|-----------------------|-----|

Standards

|                                   |    |
|-----------------------------------|----|
| Flammability class according UL94 | V0 |
|-----------------------------------|----|

Safety

|                       |    |
|-----------------------|----|
| Fire resistance class | M1 |
|-----------------------|----|

Materials

|          |            |
|----------|------------|
| Colour   | Light grey |
| RAL code | 7035       |

Architecture

|          |    |
|----------|----|
| Flexible | No |
|----------|----|

Configuration

|           |         |
|-----------|---------|
| Side wall | Slotted |
|-----------|---------|

Sustainability

|                 |     |
|-----------------|-----|
| Halogen free    | Yes |
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
