

HXA011H

**Undervoltage release 24V DC (x160-P160-x250-P250-x630-P630)**

**Technical Features**

**Power**

Inrush power absorbed	0.56 VA
-----------------------	---------

**Safety**

Ingress Protection (IP) class	IP4X
-------------------------------	------

**Voltage**

Command voltage AC	0 - 0 V
--------------------	---------

Command voltage DC	24 - 24 V
--------------------	-----------

**Functions**

Delayed	No
---------	----
