

HXA055H

UVR delayed 380-450V AC (x160-P160-x250-P250)

Technical Features

Power

Inrush power absorbed	2.30 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	380 - 450 V
Command voltage DC	0 - 0 V

Functions

Delayed	Yes
---------	-----

Sustainability

REACH conform	Yes
RoHS conform	Yes
