

UDB3075125

universal floor box with floor plate size 3 levelling range 75-125 mm

Technical Features

Shape

Shape Square

Dimensions

Height	75 mm
Width	498 mm
Length	498 mm
Minimal screed height	75 mm
Levelling range	75 - 125 mm
Nominal size	340 mm

Use conditions

Vertical load applied across small surface area 1.5 kN

Equipment

Suitable for Installation sealing	No
With bottom plate	Yes
Mounting cover insertion	Yes

Materials

Material sidewall Plastic

Cover, door

Type of lid Blind

Functions

Decoupling possible cover from base	Yes
Suitable for sub-floor duct overhead closed	No
Suitable for sub-floor duct countersunk	Yes

Sustainability

Halogen free	Yes
RoHS conform	Yes
